

GOP To Make Truman 'Socialism' '50 Issue

Taft Disputes Record Given To Congress

Washington, Oct. 15—(AP)—Republicans intend to make what they call the Truman administration's trend toward "a labor-socialist... government" the chief 1950 political issue, Senator Taft (R-Ohio) indicated today.

Taft, running for reelection next year, disputed in detail a White House listing this week of accomplishments of the Democratic 81st Congress.

Charles Ross, presidential secretary, had said the listing represented a "rather remarkable record" of results.

Countering this, Taft contended in a speech recorded for 10 voters that the 81st congress is "more in sympathy with President Truman's 'Fair Deal' program than was the Republican 80th."

Asserting that Mr. Truman has adopted the program of the CIO political action committee, Taft said that "the philosophy of the 81st congress is like that of the 80th—one based on the continuation of the principles of liberty under a free economy."

Other Republicans have been pounding away at "statism," a term they often use to accuse the administration of showing a trend to centralized government powers.

Guy George Gabrielson, the Republican national chairman, sounded a similar note in a talk to the party's midwestern state chairmen at Chicago.

"Dictatorship"

He listed the "Fair Deal" as among the "dictatorships" he said the Republicans oppose. The GOP, he said, stands for "strong, competent local self-government."

The Ohio Senator said that, far from accepting the President's "Fair Deal" program, the Democratic congress pushed most of it aside.

As examples, he mentioned the President's request last January for price-wage controls and for authority to build steel plants. He said this had been dropped. He cited rejection of the Brannan plan for production payments to farmers.

"Then there was his plan to repeal the Taft-Hartley act and restore arbitrary powers and special privileges to the labor union bosses, which was defeated in the senate and the House," Taft said.

Reds Complete Their Occupation Of Canton

Hong Kong, Oct. 15—(AP)—The Chinese communists tonight completed the occupation of Canton and reached the border of the British colony of Hong Kong.

The refugee nationalist government formally set up shop in Chungking, 600 miles by air to the northwest, vowing to fight to the end despite all setbacks.

Regular communications with Canton, the recent provisional capital, remained severed.

Private and pro-communist reports, however, said occupation of the city was completed at 9 p.m.

President Goes To Grid Games And Remains Unnoticed

Washington, Oct. 15—(AP)—The President of the United States went to a couple of football games this afternoon and nobody paid any attention to him.

They were boys club games, played on adjoining grounds on the Washington Monument grounds south of the White House.

Monument Grounds football is sort of informal. There are no grandstands, and everybody stands up.

Two secret service men strolled around with Mr. Truman. He has told friends he would like to watch more sandlot games but doesn't stop playing and start watching him.

That didn't happen today. They kept on running and tackling. An Alexandria club downed the Redskins 40 to 0, and Eastern beat the Georgetown boys 7 to 0.

Mormons State Plans For Mission On Great Lakes

Chicago, Oct. 15—(AP)—Plans for formation of the Great Lakes Mission of the Church of Jesus Christ of Latter-Day Saints (Mormon) were announced today.

The new mission will include Michigan, Indiana and Ohio—states presently in the eastern half of the northern states mission. Remaining in the northern states mission are all Mormon church units and missionary work in Illinois, Wisconsin and Iowa, with the exception of the 10 congregations which form an ecclesiastical "state" of the church in the Chicago area.

Creed Hammond, president of the northern states mission, said special tri-state conferences have been set by Utah church authorities for inaugurating the new missions. These conferences will be Oct. 22 and 23 in Rock Island, Ill., and Oct. 29 and 30 in Ft. Wayne, Ind. Headquarters for the new areas will be located in these cities.

Britain, Russia Accuse Each Other Of Using Slaves

Lake Success, Oct. 15—(AP)—Britain and Russia today accused each other of abusing immigrants and using slave labor.

The charges and counter-charges were made in the United Nations assembly's social committee. They were the outgrowth of a Polish resolution introduced yesterday in the committee and aimed at the United States, France, Belgium and unnamed South American countries for alleged mistreatment of immigrant workers.

Soviet Delegate Alexander Panushkin said Britain is "forcefully recruiting" displaced persons in Germany, "forwarding them to England" and keeping them in a "continuation of the slavery begun under Hitler."

Replying for Britain, Mrs. Barbara Castle, youthful member of parliament, accused the Soviet Union of genocide, forced emigration and the use of slave labor. Genocide is defined as mass destruction of a race or people.

U.S. Jewish Heads To Study Israel's Problems

New York, Oct. 15—(AP)—Eleven American Jewish leaders left by plane for Israel tonight to study what can be done about crowded immigrant camps there.

Meyer F. Steinglass, official of the United Jewish Appeal and spokesman for the group, said a crisis resulted from the recent and unexpected influx of 85,000 Jews, most of them from North Africa.

He said the mission would study what immediate measures could be taken to alleviate conditions in the camps, as well as look into possible long range immigration measures.

The mission will report to a national conference sponsored by the United Jewish Appeal to Atlantic City in November.

Included in the mission are Samuel Rothberg, national chairman for initial gifts of the U.J.A., and Julian B. Venezky, both of Peoria, Ill.

Army Orders Secrecy On Ilse Koch Release

Munich, Germany, Oct. 15—(AP)—The U. S. army issued orders today for secrecy in the release to German authorities Monday of Ilse Koch, infamous mistress of the Buchenwald concentration camp.

Winding up a four-year sentence for war crimes against allied nationals, she will be turned over to the Germans for trial on charges of abusing and killing German nationals.

Mrs. Koch is held at the U. S. army's Landsberg prison west of Munich, where the transfer is to occur.

Brig. Gen. Clayton Pierce, commander of Augsburg military post, which has jurisdiction over the transfer, directed that reporters and photographers be prohibited from seeing any part of the action.

ity that left them temporarily behind bars today.

The 11 are locked up in the federal house of detention, awaiting sentence next Friday. Facing maximum sentences of 10 years in prison and \$10,000 fine each, the men are: Eugene Dennis, general secretary; Benjamin J. Davis, Jr., New York city councilman; John G. Stachel, editor of the Daily Worker; Jacob Thompson, New York state chairman; Carl Winter, Michigan chairman; Gus Hall, Ohio chairman; Henry Winston, organizational secretary; John B. Williamson, labor secretary; Gilbert Green, Illinois chairman; and Irving Potash, vice president of the CIO Fur and Leather Workers union.

U.S. Reds Draft New Moves In Fight For Political Life

New York, Oct. 15—(AP)—American communists, their top leaders in jail and their party's future uncertain, sought grimly to rally today from the most crushing blow in their 30-year history.

Despite new pressures snapping up against them in Washington, they looked as though they could patch together a "business as usual" operation for months if not years to come.

National Chairman William Z. Foster said the communist party "will carry the fight to the higher courts, to the broad masses of the people."

Foster meant a fight to upset yesterday's conviction of 11 of his national board colleagues on charges of conspiring to teach overthrow of the U. S. government.

The verdict can be appealed to the U. S. circuit court of appeals and then to the supreme court.

These appeals, along with other delaying actions that could be taken from time to time, might easily last for a year or more.

During that time the 11 convicted men, top figures in the party's "American politburo," presumably would be free in jail—to carry on, if they chose, the same kind of activity.

Choir Plans Tour
Carthage, Ill., Oct. 15—(AP)—The Carthage College Singers, a 37-voice a cappella group, will tour 11 cities this fall to raise funds for a new chapel and music hall on the campus.

The choir will present concerts of sacred music in Illinois, Indiana and Kentucky on behalf of the United Lutheran church's campaign for \$6,000,000 to aid 14 church colleges and seminaries.

State Legionnaires Resolve To Keep Fighting Commies

Bloomington, Ill., Oct. 15—(AP)—Illinois American Legionnaires voted Saturday the conviction of 11 top communists does not mean the Legion's fight against communism has been won.

A resolution adopted at the 28th annual conference of Illinois Legion officers declared:

"The American communists stand today under the verdict of an American jury as agents of Soviet Russia and traitors to their government."

"There will be a tendency on the part of the American people to relax their efforts and to consider the fight against communism won."

But Legionnaires were urged by the 500 top commanders at the conference to "continue relentlessly and without stint in their efforts of stern opposition to the program and teaching of the communists."

Service Row Splits Group On How It Should Be Settled

Washington, Oct. 15—(AP)—The violent Pentagon row over air war strategy divided the House Armed Services committee tonight over the best way to deal with it.

Rep. Van Zandt (R-Pa.) predicted that the committee will back legislation to:

1. Reinstate the navy's cancelled supercarrier.
2. Curb some of Secretary of Defense Johnson's powers over military purchases.

A naval reserve officer, Van Zandt told a reporter he understands bills are being drafted, although Congress couldn't pass them before next year.

Rep. Norblad (R-Ore.) said he is against legislation at this time. The carrier question, he said, is for the policy-making joint chiefs of staff to decide. Norblad was a World War II air force officer.

Reps. Brooks (D-La.) and Price (D-Ill.) said the present unilateral law should be given a real trial before there is any more legislation.

Appoint Staff For Independence Park Project In Philly

Washington, Oct. 15—(AP)—A four-man staff was appointed today for the Independence National Historical Park project in Philadelphia.

Secretary of Interior Krug named Joseph M. O'Brien, Philadelphia, as project manager, and Melford O. Anderson, Landsdowne, Pa., assistant manager.

He transferred Charles E. Peterson and Edward M. Riley from the Richmond, Va., regional office to serve as architect and historian, respectively.

Anderson has been affiliated since 1947 with a Rock Island, Ill., construction and real estate firm.

Czechs Crack Down Anew In Campaign To Erase Classes

Prague, Czechoslovakia, Oct. 15—(AP)—The Communist-led government cracked down again today in its apparent campaign to wipe out the remaining middle class.

Marked for confiscation and nationalization of properties were:

1. Hundreds of resorts and mineral springs dotting the country.
2. Nine more export and import firms and 22 wholesale enterprises.

The new steps, announced in the official gazette, were in keeping with the reported intention of the government to liquidate the middle class by the end of the year.

Thousands of small businessmen and property owners have been swept up in widespread police raids in the last two weeks and sent to forced labor camps or the coal and uranium mines. Their businesses were taken over by national administrators.

The government press said today this campaign must continue "until hostile elements and imperialist agents are liquidated." It identified the agents as American and Yugoslav.

Catch Ex-Convict Who Disarmed And Shot 2 Policemen

St. Louis, Oct. 15—(AP)—Two policemen were disarmed and killed late last night by a former convict who boasted he is "a better shot than any cop."

The officers were shot down at police headquarters in suburban Overland about 11:15 p.m. (CST), and their assailant escaped.

He was captured at a home in St. Louis seven hours later, after a search in which scores of officers took part. Police who surrounded the house found him in bed and said he offered no resistance.

Authorities identified him as John Louis Johnson, 29, a negro who had served two reformatory terms for theft. Johnson was booked on suspicion of murder and placed in the St. Louis county jail.

While under questioning there, he told police in the presence of newsmen: "I shot because I was scared. I knew I was a better shot than any cop."

Victims of the shooting were Sgt. Pelham C. Scott, 46, a law enforcement officer for 20 years, and Special Patrolman Edward C. Juettemeyer, 30.

Salary Increase In Prospect For Employees Of U.S.

Washington, Oct. 15—(AP)—A \$433,000 pay increase was in prospect today for 1,385,000 government workers under a compromise agreement reached by a Senate-House conference committee.

These were the pay boosts set in the compromise for lower level government employees:

1. An average yearly increase of \$141 for 885,000 civil service workers at a total annual cost of about \$130,000,000. The \$141 figure represents a compromise between the \$160 previously voted by the Senate and the \$113 hike approved by the House.
2. Up to 25 higher echelon civil service employees also are to draw top pay of \$14,000 annually as compared with the present \$10,550 ceiling.
3. A flat \$120 raise for nearly all regular postal employees with hourly increases for other postal workers on part-time or hourly employment.

About 500,000 postal workers are covered by the agreement. The House had voted for a \$136 increase, but the Senate previously had allowed only \$100.

Dies Of Injuries Suffered Sept. 9

Paris, Ill., Oct. 15—(AP)—Chesley E. Hayworth, Jr., 22, of Paris, died today of injuries he suffered in an automobile accident Sept. 9.

He lost control of the car and it overturned in a ditch near Libertyville, Ind. His skull was fractured. Two persons with him were only slightly hurt.

He is survived by his father. Private funeral services will be held Monday.

Laszlo Rajk Hanged For Treason By Reds

Budapest, Hungary, Oct. 15—(AP)—Laszlo Rajk, once one of Hungary's top-number communists, was hanged today for treason—the fate he had begged at his trial.

Rajk, who swept out Hungary's middle class smallholders party for the communist revolution in 1947, had avowedly confessed to leading a Balkan-wide Yugoslav plot to assassinate the biggest Hungarian communist and make himself premier.

Executed with him were two associates, Dr. Tibor Szanyi, 46, former director of the Hungarian Communist party's cadre section, and Szanyi's deputy, 32-year-old Andras Szalai. The cadre section supervised the rank-and-file membership.

Murray Joins Lewis Drive For Labor Unity

Senate, House Can't Agree On Farm Bill

Washington, Oct. 15—(AP)—A tentative agreement on bitterly-contested farm price legislation blew up tonight.

Senate and House members of a conference committee were right back where they started. They stomped out of a long session apparently in complete disagreement over a fundamental section of their conflicting bills.

The basic dispute the bills presented was:

Shall the government continue to support at 90 per cent of parity all major crops, provided they are under maximum government regulation?

Or would a sliding scale of supports from 75 to 90 per cent be better?

A morning meeting brought agreement on a 90 per cent plan, by a vote of 11 to 3.

At nightfall, the 14 conferees waded up this agreement and adjourned until Monday.

Plans to close out congress next week for the year might be endangered by this latest development.

Both senators and representatives said the only agreement they now

Senate Votes To Shelve Displaced Persons Program

Washington, Oct. 15—(AP)—The Senate voted tonight to shelve the displaced persons bill for this session.

The vote was 35 to 30.

Adopting a motion by Senators Cain (R-Wash.) and Eastland (D-Miss.), the Senate sent the hotly-disputed measure back to its judiciary committee with instructions that it be returned for action by next January 25.

The bill, passed by the House and a prime feature of President Truman's program, would increase by 134,000 the number of displaced persons to be admitted to the U. S. and change the rules.

Tonight's vote removed one of the stumbling blocks in the way of proposed adjournment of congress next week.

It marked a bitter defeat for Senator Lucas of Illinois and other administration leaders who had demanded action on this session on revising the present law. President Truman has attacked that law as "anti-Catholic and anti-Semitic."

The Senate's action added up to a personal victory for Chairman McCarran (D-Nev.) of the judiciary committee who had fought to delay consideration of the measure until next year.

Solons Discuss Whether Truman's Program Statism

Freeport, Ill., Oct. 15—(AP)—Two legislators, a business man and a professor today discussed the question of whether President Truman's Fair Deal program is a major step toward a welfare state.

The panel discussion was a feature of the quarterly state meeting of the Junior Chamber of Commerce, sixty-four chapters throughout Illinois were represented.

Rep. Leo E. Allen (R-Ill.) and Edward H. O'Connor of Chicago, representing the Insurance Economists Association of America, expressed the view that the Truman program can lead to a welfare state. They were opposed by Rep. Clinton D. McKinnon (D-Calif.) and Dr. H. O. Gray, economics professor at the University of Illinois.

Allen said "for cradle to grave security, the individual surrenders his freedom of action. Americans will not accept this, including the welfare state, at a single gulp. But they might be lulled into taking it in doses."

He cited the housing bill and the health insurance proposal as such "doses."

O'Connor said there is no need for the government to step in when 61,000,000 persons are now covered by voluntary hospital insurance plans. He said the figure represents a 93 per cent rise in the last decade. "Private insurance plans can do it better and cheaper," he added.

Bradley Advocates Passage Of Arms Aid Before Senate

Washington, Oct. 15—(AP)—General Omar N. Bradley Saturday pictured a big Russian army as able to double and almost triple its combat divisions within months, senators said, as he urged passage of the arms-for-Europe appropriation.

Bradley, chairman of the joint chiefs of staff, was reported by Senate Appropriations committee members to have told them that:

Russia now has 175 combat divisions in readiness;

She could put 300 divisions into combat within 60 days;

The Soviet could step up its military power to 502 divisions in a matter of months.

Bradley testified behind closed doors to the committee on the \$1,314,010,000 foreign arm appropriation bill which the House passed yesterday by a voice vote. One billion dollars of the money is for the opening phase of re-arming European members of the Atlantic pact.

Crowd Beats Three Who Pull Hoods Off Of Two Nuns

New York, Oct. 15—(AP)—A shouting, angry crowd today knocked down and beat severely three men who pulled off the hoods of two nuns.

The incident occurred outside a lower east side public school where the two sisters had gone to register for the No. 8 election. Detectives said they had not learned why the men molested the nuns.

A policeman on duty at the school cornered one of the trio, who ran away from the kicking, punching crowd. A police emergency squad then rescued all three of the men and hustled them to a precinct station. They were charged with third degree assault.

The three, John Garvey, 52, John Morgan, 42, and Matthew McKeon, 43, told police they did not have any homes.

Firemen Trapped

New York, Oct. 15—(AP)—Fire gutted a five-story building today trapping two firemen. Rescue squads recovered one body—that of Fred Lehmann—after a nine-hour search. They said there was one chance in a thousand that the other fireman—Daniel Shea—would be found alive.

Xmas Mail Order Catalogues Show Price Decreases

Chicago, Oct. 15—(AP)—Santa's sack is bigger, cheaper, and traveling farther this year than last, to judge by Christmas mail order catalogues.

Three major ones are being distributed—Sears, Roebuck and Company; Spiegel, Inc., and Aldens, Inc. Montgomery Ward and Company is bringing out its book later this month.

Aldens officials find their Christmas prices are averaging 15 per cent lower than a year ago and Spiegel estimates a decline of 12 per cent. A spokesman for Sears said, however, so many of its Christmas items this year are specially bought merchandise that a proper comparison could not be made.

The Sears book is the biggest ever issued, running to 900 pages and listing more than 15,000 gift items.

Spiegel's catalogue has 226 pages and Aldens' 220 pages.

Sears noted it is airfreighting the Christmas book to thousands of Americans stationed in far places throughout the world.

Proposes War Chest To Use In All Strikes

Senate, House Can't Agree On Farm Bill

Pittsburgh, Oct. 15—(AP)—CIO President Philip Murray lined up in John L. Lewis' labor unity parade today and proposed that they set up a war chest with the AFL to fight strike battles of all unionized labor.

This was the day's top development in the big steel and coal strikes. Murray's United Steelworkers spread their free pension strike to some steel fabricators and made ready to hit aluminum next. More than a million already are idle in the doubleheader strikes with no peace, only industrial grief in sight.

Murray said his steelworkers and "I am sure other equally minded affiliates" of the CIO stand prepared to John Lewis' United Mine Workers and the AFL "to pool their resources for the common defense and general welfare of the labor movement."

Advocated Unity

Murray said he had consistently advocated unity of action on the part of all responsible and genuine American trade unions.

But his prepared statement did not mention specifically Lewis' proposal 24 hours earlier. Lewis urged that his UMW and the AFL contribute \$2,500,000 a week to the steelworkers in an "uncompromising fight of all American labor."

The UMW boss called on the AFL to get at least nine of its wealthiest unions to match a contribution of \$250,000 weekly by the miners so the steelworkers can "win beyond peradventure the monumental conflict which is now drawn." He got only stony silence.

Lewis had expressed sympathy for the striking steelworkers.

Murray did the same thing toward the miners who also are striking over pensions.

Murray said his proposed war chest should aid the miners also because the UMW is engaged "in a mighty struggle with powerful employers in the coal industry to protect the security of the miners and to gain benefits necessary to their continued well being."

Steelworkers Will Help

Murray said the steelworkers will lend help and assistance to the miners and to all unions "which are forced into necessary strike action by the opposition of the monopolists and financial interests who dominate the great industries of this country."

There was no immediate comment from AFL President William Green. An aide in Washington said Green will make no statement before Monday.

Murray's counter-proposal caught most labor authorities flatfooted. It was generally believed that the long-standing Lewis-Murray feud would prevent anything but disagreement on the CIO leaders' part.

The ruddy-faced Scotsman had once been a UMW official and a lieutenant of Lewis'. Then he became head of the fledgling CIO and, theoretically at least, Lewis' superior.

The split followed when Murray accused the diggers' chieftain of exceeding his authority.

Laszlo Rajk Hanged For Treason By Reds

Budapest, Hungary, Oct. 15—(AP)—Laszlo Rajk, once one of Hungary's top-number communists, was hanged today for treason—the fate he had begged at his trial.

Rajk, who swept out Hungary's middle class smallholders party for the communist revolution in 1947, had avowedly confessed to leading a Balkan-wide Yugoslav plot to assassinate the biggest Hungarian communist and make himself premier.

Executed with him were two associates, Dr. Tibor Szanyi, 46, former director of the Hungarian Communist party's cadre section, and Szanyi's deputy, 32-year-old Andras Szalai. The cadre section supervised the rank-and-file membership.

Bruce Marshall, Scottish Novelist, To Lecture Here

Bruce Marshall, distinguished Scottish novelist, will be speaker for the opening of the MacMurray College Lecture Series Wednesday, Oct. 19, in Music Hall.

BRUCE MARSHALL

Now on his second tour of America, Mr. Marshall is the author of four novels, all of which have appeared on best-seller lists in America, as well as reaching an enormous reading public in Britain.
His novels, each one rich with human feeling, sincerity, warmth and simplicity, are "Father Malachy's Miracle," which was also an outstanding stage success, "The World, the Flesh and Father Smith," "Yellow Tapers for Paris" and "Vesper in Vienna."
A veteran of both World Wars, Marshall emerged from the last conflict as a lieutenant colonel in the Displaced Persons Division of the Civil Commission for Austria.

Annual Home Bureau Meeting To Be Oct. 25

Mrs. A. B. Applebee, who has recently returned from a 34-day tour of Europe, will be the principal speaker for the 13th annual meeting of the Morgan-Scott Home Bureau, which is to be held Tuesday, Oct. 25, in Centenary Methodist church.
Mrs. Applebee will base her address on impressions gathered during her tour of France, Switzerland, Germany, Belgium, England and Czechoslovakia.
The meeting will get under way at 10 a. m., following the registration period, which begins at 9:30 a. m. The unit having the largest percentage of attendance by 10 a. m. will receive a gavel, which is a traveling prize given each year.
Home Adviser to Report
The annual home adviser's report will be presented during the morning session by Mrs. Frances King. Home Bureau officers will also make reports.
At noon, a luncheon will be served by the ladies of Centenary church. Special recognition will be given members who have attended all unit meetings during the past year. Each will receive a rose during a ceremony in the afternoon.
Several hundred Home Bureau members from Morgan and Scott counties are expected to attend the meeting, which is also open to all women interested in Home Bureau work.

HELP FOR HIRED GIRLS

(Christian Science Monitor)
Bringing of domestic workers into the old-age insurance of the social security system is one of the best things provided for in the bill just passed by the house at Washington. No group needs this protection more than the many women engaged in household employment. For the government to ignore the "hired girl" with her slender pay while giving the high-wage factory man its old-age payments has long been a social blunder.
Household employees were omitted from coverage when the social security program was set up 12 years ago because of the difficulties of collecting the taxes from them and their employers. The treasury department, which will have the job of handling the taxes, now plans a stamp book which it is satisfied will be effective. It drew its expedient from a number of countries which use the stamp book system under which the servant girl and the woman who employs her buy stamps to make their payments of the small tax.
The number of domestic workers in the United States is 1,666,000. Of these, more than 90 per cent are women. They are indispensable to the welfare of many homes, yet the number of women in domestic employment is continually decreasing. Among the reasons therefor is the lack of safeguard of the government's social insurance. Women often regard it as an advantage to work in a factory where they get not only the old age insurance but unemployment insurance, limitations on working hours, a day of rest in each week, and minimum wages.
These women workers should be given at least the basic provisions for retirement which is now establish government policy.

Fashion Goes Accessory-Wise!

Formula for a double life... touches of whimsy in Coro's massive 30-inch chain necklace and matching bracelet and hatclip earrings. Her twin at the right wears a new tweed-patterned silk scarf by Glentex, plus Coro's gold-coin pocket-fob.

Sophisticated Simplicity Describes Fall Suit And Coat Collections

Suits and coats for dress-up, and casual wear, too, wear a look of suave simplicity in styling—a new elegance in fabric. This year, the magnificence of fabric is the most interesting highlight of the fashion story.

Such wool fabrics as superfine worsteds, featherweight gabardines, saxonies and tweeds are shown over and over again in all of the collections. Velvet and wool combinations are introduced—look for iridescent tweeds and a revival of men's wear fabrics to a new high in popularity.

Suits see shorter jackets—fitted, boxy, back-belted and the classic Norfolk jackets. Skirts are slim, and occasionally kick-pleated—many are all-around pleated—panel fronts hug the hips tightly—the slimmest of skirts are slit, both for utility and good-looks.

Shoulders are padded lightly; sleeves vary from the usual narrow, classic fit to the flattening raglan and dolman cuts. Small collars with individual treatment are notched, tabbed and carry novelty lapel handling. Pockets are predominate as is multi-button trim.

Fur-lined boxy jackets have a spanking-new look and are a pleasant surprise to any one anticipating a new coat purchase. There are great coats, less flared than previously—balmacaans with raglan shoulders—polo coats in lush camel hair fabrics—the belted silhouette and the boxy three-quarter length coat. These short coats, fully lined with such furs as persian, nutria, broadtail and mouton, are slim looking in spite of the fur, and are the biggest thing on the fashion horizon.

Dress-up coats are dramatic and elegant and are trimmed with fur and princess styles.

The coats are round at the shoulder, subtly emphasized with dress-maker detail and most of the more

concealed pockets, pockets for trim—pockets for utility are extra credits in the coat curriculum.

The vest plays a reverse role and is turned inside out by Belliciano! It's a big spread of black Persian from shoulder to hip, worn over a coat of Forstmann's Riva blue broadcloth. The skirt is wide and gracious in unpressed pleats. A John Frederick hat.

New coat fabrics boast a host of interesting textures and patterns. Shadow overplaid, bold bright plaids, stripes of varied and assorted widths and color combinations, are all bright and exciting. Iridescent tweeds are the big news, of course, and the usual small-to-large checks continue to hold their own.

In suits and coats alike, the colors are gay and brilliant with vintage shades sparkling in the color panorama. All the grape colors from pale purple to deep, malaga purples, rich with red overtones, will be in great demand. Reds are rosy and clear-hued.

Check taupe, toast and all the neutral brown tones for top popularity and you are sure to find the new putty color widely accepted. The brown family, as a whole, is considered the leader in the color parade.

Olive, moss and green-gold are the favorites in the green family. Slate blues with grey tones and teal (blue-green) is revived with a fresh, new color intensity. A true, blue-navy enters the scene proudly for fall-winter wear.

Leading woolen mills, leather fabricators and accessory manufacturers have banded together to bring to the market all of these colors in identical color values in all manner of merchandise.

You'll find it an exciting hunt—a "which one shall I get" dilemma, when you shop for your new fall suit or coat from these dramatic, colorful creations.

October Meeting Held By Christian Woman's Council
The Woman's Council of Central Christian church met in the church parlors Wednesday evening, following a meeting of the executive board conducted by the president, Mrs. Don Fitzgerald.
"Christian Education" was the theme of the program, which was in charge of Mrs. John Chapman, chairman of the division for Christian education. Devotions were led by Mrs. Leslie Heuston who had as her topic "A Little Child Shall Lead Them." In conjunction with the theme and worship program the primary department, under direction of Mrs. Leonard Preston, assisted by Miss Lucille Harper, presented a dramatic episode entitled "Baby Moses." Miss Marguerite Schoedsack, with assistance of the young people, gave an interesting skit on "Youth in Action."
A trio, composed of Miss Sylvia Plouer, Miss Evalie Carter and Miss Elizabeth Newberry, presented "The King of Love, My Shepherd Is." They were accompanied at the piano by Mrs. Francis Plouer. A solo, "Life's

Railway at the Crossing," was sung by Jerry Lewis.
Mrs. Frank Moxon, in observance of the diamond jubilee of the Missionary society, gave an interesting paper on the 75th anniversary of Christian women's organizations of the brotherhood.
The second of a series of fellowship dinners will be held at the church on Nov. 2, in charge of Group Four, Mrs. Gertrude Reynolds, leader, and Group Six, Mrs. J. Allen Biggs, leader, assisted by laymen.
Rev. Leslie Heuston presented some interesting remarks on "Christian Education in Our School."
The meeting closed with a silver tea in charge of Group Three, Mrs. Lyle Davis, leader.

WOODSON WOMAN'S CLUB TO MEET
The Woodson Woman's club will meet Wednesday at 2 p. m. at the home of Mrs. Rost Samples, with Mrs. Grace Brandon, Mrs. S. J. Baxter and Mrs. Harriett Smith as assistant hostesses.

MARRIAGE LICENSES
Charles E. White and Miss Alberta Maxine Homer, both of Chapin.

OIL Vaporizing Pan

THE HEART OF YOUR HEATING PROBLEM
An oil heater is only as good as its burner—the MONOGRAM Patented "Vaporizing" Burner is your assurance of efficient, dependable, trouble-free heating service. The secret of its better performance is because it vaporizes the oil more quickly, more completely—turning oil into gas—producing a clean, quiet gas flame made from oil by means of an especially designed and patented air-mixing chamber. No other oil heater has this important patented feature.

Only MONOGRAM HAS TRIMATIC CONTROL
Automatic operation of the big Vortified Air Impeller Fan (1) for draft, (2) for circulation. Fan speed synchronized with the amount of oil flowing to burner provides—just the right amount of air for perfect combustion—just the right amount of warm air circulation—automatically controlled by one dial.

Man Wanted By Local Police Surrenders To Pike County Sheriff
Clarence Herrin of Griggsville, who has been sought by Jacksonville police since last Sunday, in connection with the alleged assault on Elwood Brooks, 47-year-old Griggsville man, surrendered to Pike county sheriff Cliff Windsor Friday night and was brought to Jacksonville by members of the Jacksonville police department.

VFW Post Begins Series of Lectures On Communism
A series of lectures on the evils and dangers of Communism was inaugurated by Commander Herl Jordan Thursday evening at the meeting of Veterans of Foreign Wars, Morgan County Post 1379. The series will continue through the fall and winter meetings. The post voted to purchase cigarettes to be given to the veterans at the Jacksonville State hospital at the close of the County Council meeting at the V.F.W. home on Sunday, Nov. 13. Nine new members were accepted into the organization. They are Richard E. Gibson, George W. McClain, Paul E. Freese, Louise E. Sieberman, Don W. Rakes, Charles R. Cowman, Byron R. Haynes, Dennis A. Marr and Albert K. Tinsley. The members concurred with the executive board recommendations that the upstairs rooms of the post home be redecorated. The quarterly financial report was given by Quartermaster H. Minor Prather.

Robert Schnelten Heads CYO Group
Carrollton, Ill.—Robert Schnelten was elected president of the newly-reorganized CYO at an election of officers and business meeting held Thursday evening in the Knights of Columbus hall. Other officers are Miss Phyllis Carmody, vice president; Miss Gladys Taylor, secretary, and Ed Schnelten, treasurer. The program Thursday evening consisted of a talk on life in Puerto Rico by Mrs. Joe Thomann, who spent last winter there as a teacher in the government school. An ewe is a sheep, but an ewer is a kind of jug.

The ladies of Methodist church will serve the "Penny Supper" at the Legion and Community Hall in Arenzville, Wed., Oct. 19th. Start serving at 5 p. m. Everybody welcome.

Two Farms Near Concord Sold At Auction Saturday
Two farms belonging to the estate of the late Henry Tiemann, located three miles west of Concord, were sold at public auction Saturday morning at the Morgan county court house. The first parcel to be offered for sale consisted of a farm of 76½ acres, well improved, with an eight-room house, two car garage and other outbuildings. This farm was sold to Carl Tiemann, on his bid of \$12.50 per acre. There were many bidders on this farm. The second parcel, consisting of 120 acres of land with a new six-room modern house and several outbuildings, was sold to Charles McFadden on his bid of \$70.50 per acre. The sale was conducted by George Deterding, executor under the will of Henry Tiemann. Merle Beddingfield was the auctioneer and Wilson & Wright were the attorneys.

Former Resident Of White Hall Weds In East

White Hall—Word has been received here of the wedding of Edith Sever Baldwin of New York City, daughter of the late John and Clara Robley Baldwin, to Ramsey A. E. Weiland III of St. Paul, Minn. The ceremony took place Oct. 7 at the Little Church Around the Corner, with a reception following at the Plaza hotel.

Miss Edna Baldwin, sister of the bride was maid of honor.

Mrs. Weiland is a former resident of White Hall, and an alumnus of the White Hall high school and the University of Southern California. For the past several years she has been associated with the Department of Mental Hygiene in Chicago, and New York City as assistant to the director of the Mental Hygiene Clinic at the Columbia Medical Center.

Mr. Weiland is a sculptor and during World War II served in the army in the South Pacific area, attaining the rank of captain.

The couple left by boat for San Francisco, via the Panama Canal where they will make their home.

Ashland Women Attend Meeting Of Home Bureau

Ashland—Mrs. Maude Adkins, Mrs. Myrtle Work and Mrs. Leta Hammack attended an all-day meeting of the Bath-Lynchburg Home Bureau unit held at the Fairview church near Sadoria. The tables were decorated in fall colors and a potluck dinner was served at the noon hour. Roll call was answered by "Where I Spent My Vacation."

The minor lesson on "Etchings" was given by Mrs. Dorothy Tolan and the major lesson on "Illinois Can Have the Best Educated Schools" was given by Mrs. Doris Bell and Mrs. Mildred Kennedy.

This meeting was also in observance of the unit's 20th anniversary. Eleven charter members were present and each was presented a lovely corsage. The recreation period was in charge of Mrs. Leta Hammack.

"THE CROP THAT NEVER FAILS"

★ IF YOU LIVE...

A later life of leisurely retirement is not just an idle hope when you have life insurance. A relatively small investment made now, while you can well afford it, will come back monthly—or as a lump sum large enough to let you do what you want—when it comes time for your son or sons to take over operation of the farm.

A quickly obtained cash value for an emergency. Lots of folks don't think about this important reserve—always available.

Full protection for yourself, for your family, and for your farm. You have peace of mind, and financial security.

★ IF YOU DO NOT LIVE...

Immediate funds would be available for your dependents to handle such details as:

- HOSPITAL EXPENSE
- DOCTOR BILLS
- OTHER BILLS OUTSTANDING
- TAXES
- MORTGAGE PAYMENTS
- REPAIRS ON FARM OR MACHINERY
- EDUCATION OF CHILDREN

plus the long-term, far-sighted value that you considered when you planted this crop... CONTINUING INCOME FOR YOUR FAMILY.

WOULD YOU HAVE THIS?

And would your dependents have this... without a LIFE INSURANCE program?

You may examine in confidence at no cost or obligation a revealing analysis. At your request we will set up promptly your individual example. Suspect Sought In Jerseyville Slaying Slugs Cook In Texas

Dalhart, Tex., Oct. 15 — (AP) — Leonard (Lucky) Hawkins, 34, former baseball player sought on murder charges, hit a cafe cook on the head with a pistol here today and fled on foot, state highway patrolman R. C. Johnson said.

A search began immediately. Road blocks were set up at surrounding towns.

Officers said Hawkins apparently was attempting to gain revenge on Juanita Groves, 19, a Dalhart girl who had provided clues in the search for the curly-haired suspect.

Miss Groves was sitting in the cafe at 5:15 a. m. (CST) eating breakfast when she looked up and saw Hawkins in the doorway with a pistol in his hand, the patrolman said.

The girl screamed and ran through the back door of the cafe. Hawkins pursued her but tangled with the cafe cook, Jack Woodruff, 59, Johnson said. Woodruff was struck over the head with a pistol and was momentarily stunned.

The patrolman took Miss Groves into protective custody as the search for Hawkins proceeded.

Johnson said a car belonging to the man Hawkins is accused of slaying was found parked in front of the cafe.

Hawkins has been the object of a search in New Mexico and Texas since the body of Alfred Clark, 23, was found Wednesday near Jersey-

new canton, with Clyde McAllister, lieutenant; James R. Rice, ensign; Earl J. Jones, clerk; and Donald J. Mullen, accountant.

Captain Young appointed Austin Cockerill, banner bearer; Russell Renard, guard; Russell Fairfield, sentinel; Frank Smith, picket; and Wm. Kilver, chaplain.

In connection with Canton Liberty 21, a Ladies Auxiliary was also mustered in by Lady Grace Parol, of Cicero, dept. president, and Maj. Gen. Geo. W. Schumaker.

A staff of ladies auxiliary members of visiting auxiliaries from Rantoul, Decatur, Springfield, Joliet, Champaign, Streator, Mattoon and Kankakee, initiated new members and installed officers of the auxiliary.

The following were installed as officers: Ruth A. Jones, president; Bertha Schmidt, vice president; Daisy Renard, secretary; Johanna Mullen, treasurer; Eula Wolford, past president; Harriett Brasel, left aide to president; Beulah Sears, right aide to president; Betty Kilver, right aide to vice pres.; Gladys Wurtsbaugh, left aide to vice president; Katherine McAllister, chaplain; Clyde McAllister, officer of the day; Elbert Brasel, officer of the guard; Odgen Sears, sentry and Donald Mullen, color guard.

Refreshments were served after the ceremonies by the local Canton and Auxiliary.

The busts of Washington, Lincoln, Jefferson and Theodore Roosevelt, carved in Mount Rushmore, South Dakota, are proportionate to men 465 feet tall.

Minnesota Belts Ohio 27-0, Conference Win

By Ken Davis
Columbus, O., Oct. 15.—(AP)—Minnesota moved a lengthy piece down the Rose Bowl road Saturday by belting Ohio State, 27-0, in a Western conference football game before 82,111 fans.

The running of Halfbacks Billy Bye and Dick Gregory, with the help of savage blocking, sparked the golden Gophers' four-touchdown parade. The result never was much in doubt after the first few plays.

Minnesota's giant line took command of the situation almost immediately. Led by Center Clayton Tonnemaker and Tackle Leo Nommellini, the Minnesota forwards simply smothered any Ohio State attack that became even slightly dangerous.

Gregory Sets Up TD
Gregory set up the second touchdown with a 51-yard run around his own right end and another 20-yard scamper. He scored it on his second plunge from the eight-yard line.

Balked on the ground, Bye tossed a 20-yard pass to Quarterback Jim Malosky in the Ohio end zone early in the fourth quarter. The final marker came a few minutes later after Ohio's Halfback Jim Clark fumbled on his own 13. Fullback Ken Beirsdorf threw to End Bud

Grant on the Ohio one, then dived over two plays later. With the victory Minnesota grabbed the inside track to the Western conference Rose Bowl selection. Unbeaten Minnesota appears the only logical choice—barring late season upsets. Neither Northwestern nor Michigan, the conference's representatives in the 1948 and 1949 Rose Bowl classics, is eligible to return this year. The Pacific Coast-Western conference pact bars for three years a repeater in the January 1 contest.

Minnesota collected 14 first downs to 10 for Ohio State, 234 net yards rushing to 48 yards for Ohio State, 55 yards passing to 183 for the losers.

Minnesota Play Is Savage
But, cold figures don't reveal the savagery of the Minnesota blocking and tackling. Many times Ohio State blockers just seemed to melt before the rushes of Tonnemaker and Nommellini.

Twice in the second period, Ohio State threatened. The first time, Halfback Jerry Krall pitched to Halfback Ray Hamilton who was ended out of bounds on Minnesota's 19. It was a 55-yard gain.

But the attack bogged down. In the last seconds of the first half, Ohio State's Jimmy Clark tossed to End Tom Watson who was pulled down on the Minnesota 20 for a 60-yard advance. This drive fizzled.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Oct. 15.—(AP)—Hogs, cattle and sheep were called nominally steady at the livestock market today. During the week hogs moved with in a narrow price range, although the average drove cost at the close was lowest since May. Receipts continued to run well ahead of a year ago and some heavier weight offerings made their appearance this week. Barrows and gilts ended steady to 25 cents lower while sows were steady to strong.

Cattle receipts locally were a little lower this week and the market responded by advancing on all types. At outside markets, receipts expanded as more grass fed cattle were shipped from western range states. The top on fed steers this week was \$36.25, a new 1949 high. Fed heifers also set a new peak at \$34.50.

After starting off very strong, lamb prices broke around mid-week when dressed lamb prices tumbled at eastern consumer markets. Even so, prices at the close were about up 50 cents from a week ago. The week's top was \$24.00.

New York Stock Market

New York, Oct. 15.—(AP)—Radio-television issues took over leadership today in a quiet stock market that leaned higher.

Such stocks as Admiral, Westinghouse, Emerson and Motorola added fractions to a point to their prices in a continuation of the upsurge of Friday. All of them chalked up new high marks for 1949.

Buying has been centering on these issues and others in the same fields because of strong sales and earnings reports recently released.

A few of the gold issues were higher but the gains were balanced by small losses in the group.

Steels were virtually unchanged. Motors were mixed. Rails were unchanged to slightly higher.

The quietness of trading was of brokers noted that the market did not extend the losses registered Friday.

Stocks higher included Chrysler, the usual Saturday variety, but Studebaker, Radio Corp., Dome Mines, American Can, Union Pacific, and Gulf Oil.

Iowa State Takes Kansas State

Ames, Iowa, Oct. 15.—(AP)—Iowa State's surprising Cyclones thrilled a record-breaking homecoming football crowd of 19,500 Saturday with a 25-21 victory over Kansas State.

The excited homecomers saw their favorites win their third straight big seven conference game.

Iowa State came out punching for a 13-0 lead in the first eight minutes on a 25-yard intercepted pass return by Mark Rothacker and a three-yard plunge by Lorne Paulsen.

But Kansas State roared back for two touchdowns and two extra points.

Dike Eddleman In Cage Tussle At Taylorville

Dike Eddleman, ex-University of Illinois athlete, will be one of the host of midwest basketball stars in action when the Quad-City Blackhawks and St. Louis Bombers, professional cagers, tangle in an exhibition game at Taylorville Tuesday night.

Eddleman signed with the Blackhawks upon graduation from the university last spring. With Eddleman will be Jack Kerris of Loyola, Mac Ottem of Bowling Green, Warren Perkins and Alex Athas of Tulane and Jim Owens of Baylor.

Ed Maccauley, former All-American cager from St. Louis University and Johnny Orr, Taylorville prep star in 1945, will perform for the Bombers.

The game which is being sponsored by the Taylorville Junior Chamber of Commerce, will get underway at 8 p.m. on the high school boards.

Behind 7-9 at halftime, the Hawks sent a homecoming crowd of 44,081 home happy by scoring once in the third and three times in the final period.

It was the reserves who got a stalled Iowa machine rolling. Quarterback Fred Ruck put the Hawks back in front 14-9 with passes of 35 and 42 yards to end Jack Dittmer, the latter good for a score near the end of the third period.

All Iowa's final period scoring was by reserves. Bob "Chug" Wilson, playing his first collegiate game, galloped 32 yards around his left end for Iowa's last touchdown.

Norman, Okla., Oct. 15.—(AP)—A relentless ground-sapping attack swept the University of Oklahoma over Kansas 48-26 here Saturday for the Sooners' 14th straight victory.

A Dad's Day crowd of 37,000 watched Oklahoma open defense of its big seven crown.

George "Junior" Thomas, Oklahoma's smashing right half scored four of Oklahoma's seven touchdowns.

Oklahoma, named the nation's third best team by sports writers, scored twice in the first quarter and picked up at least one touchdown in each of the other three.

The passing fullback, Dick Gilman, kept Kansas in the game. He scored one touchdown, passed 27 yards to Forrest Griffith for another and his tossing drove Kansas into position so Jerry Bogue and Bud French could register.

Wheaton Defeats Wesleyan 12 To 7

Wheaton, Ill., Oct. 15.—(AP)—Freshman quarterback Hayes Barclay's pass interception set up a touchdown which gave Wheaton college a 12-7 football victory Saturday over Illinois Wesleyan.

All the scoring in the college conference of Illinois game took place in the second period.

Wheaton's Chuck Schoenherr crashed over from the five yard line for the first touchdown. But two plays after the next kickoff Illinois Wesleyan scored on a 70-yard pass play from quarterback Gil Backler to halfback Gerry Bradley. Bill Gross kicked the extra point, giving Wesleyan a momentary 7-6 lead.

Barclay then snared a Wesleyan pass on his own 43 and raced to the Wesleyan 35 from where Schoenherr carried it over on an end run on the next play.

Badgers Upset Navy 48 To 13

Madison, Wis., Oct. 15.—(AP)—Wisconsin rolled up its highest score in 19 years to upset Navy, 48-13, Saturday before a capacity crowd of 45,000.

Wisconsin dominated play most of the afternoon, while the Navy's attack worked only in spurts.

Wisconsin passed and ran for four of its seven touchdowns and intercepted Navy passes to score two more and set up a third.

Navy scored its first tally by going 84 yards on the ground in the first period and waited until the final quarter before scoring again on a 78-yard march.

In between, Wisconsin held control. The opening period indicated a bruising battle with the Badgers getting off to a 7 to 6 lead. Three rapid fire touchdowns by Wisconsin in the second quarter changed the picture completely and there was little doubt from that point on as to the outcome.

Iowa Wallops Hoosiers 35 To 9

Iowa City, Iowa, Oct. 15.—(AP)—outplayed for better than a half by an underdog Indiana team, Iowa went on a fourth quarter scoring spree to wallopp the Hoosiers 35 to 9 in a Big Ten football game Saturday.

Behind 7-9 at halftime, the Hawks sent a homecoming crowd of 44,081 home happy by scoring once in the third and three times in the final period.

It was the reserves who got a stalled Iowa machine rolling. Quarterback Fred Ruck put the Hawks back in front 14-9 with passes of 35 and 42 yards to end Jack Dittmer, the latter good for a score near the end of the third period.

Notre Dame Scuttles Green Wave 46-7

By Jerry Liska
South Bend, Ind., Oct. 15.—(AP)—In just 10 blazing minutes, thunderous Notre Dame pounded Tulane's touted Green Wave into a helpless ripple Saturday. The stunning 46-7 victory made a debacle out of the "football game of the season."

If there was a hero for the furious Irish who reached terrific inspirational heights in their seven-touchdown explosion it was halfback Larry Coutre who scored the first three touchdowns of the game.

Thus, the top ranked Notre Dame for the first time this season, demonstrated its crunching potentialities for a fourth straight win.

In all, the Irish slashed through Tulane for four first period touchdowns, but it was the first three within the opening 10 minutes of play which completely whipped a bewildered Tulane eleven.

Notre Dame scored a touchdown each in the final three periods, which only emphasized that previously unbeaten Tulane was in far over its head.

Tulane Scores On Pass
The lone Green Wave score came on a pass play covering 76 yards, from Bill Bonar to George Kinek in the third period.

For the pulverizing Irish, who outscored Tulane 280 yards to a mere 23, it was their 32nd game without defeat, a skein stretching from the opening of the 1946 season.

Tulane which proudly came here after wins over Alabama, Georgia Tech and South Eastern Louisiana didn't know what hit it in the tremendous Irish opening period.

Irish backs never were stopped at the first impact, which is why Coutre streaked 81 yards for his second touchdown and Billy Barrett in the final quarter scooted 59 yards to score.

Quarterback Bob Williams, who did a magnificent job in calling plays against the sagging Tulane defenses, completed eight of 11 passes for two touchdowns and 177 yards.

Halfback Frank Spaniel grabbed a 34-yard pass from Williams for the first of his two touchdowns. That was the fourth touchdown in the devastating first period. Spaniel's second touchdown came in the third quarter on a slashing 12 yard run.

The seventh Notre Dame touchdown materialized with ridiculous ease on Williams' 18 yard shot to hulking end Leon Hart in the end zone.

GEORGIA TECH TAKES AUBURN 35 TO 21

Atlanta, Oct. 15.—(AP)—Georgia Tech manhandled Auburn for three periods Saturday and had enough left to stave off a last quarter rally by the losers that netted three touchdowns. The rambling wrecked final margin of victory was 35-21.

Auburn's great demonstration of playing football to the very last, even while four touchdowns behind, stole the show from a great Tech offensive line and brilliant runs by Tech's Bobby North.

Wildcats Register Stunning Upset; Nip Mighty Gophers 21-20

By Charles Dunkley
Evanston, Ill., Oct. 15—(P)—Twice-defeated Northwestern Saturday registered the most stunning upset of the Western conference gridiron season by defeating once mighty Michigan, 21 to 20.

Michigan, 1947-48 conference champion, had blazed through 15 successive "Big Ten" games without defeat, losing its last to Illinois, 13-9, in 1946.

The proud Wolverines, 1946 mythical champions, had rung up a string of 25 victories until Army upset them 21-7 a week ago.

A stunned standing room crowd of 35,000 saw the Wildcat passing attack completely overshadow the heavily-favored Wolverines. Northwestern, first beaten this season by Pittsburgh in an upset and then bowled over by Minnesota, completely

Lake Forest Beats North Central

Naperville, Ill., Oct. 15—(P)—Lake Forest dampened the spirits of North Central's 32nd homecoming crowd here Saturday by dumping the Cardinals, 14-6.

The victory puts Lake Forest in a three-way tie for the Little Nine conference lead with Wheaton and Augustana.

Lake Forest overcame a 6-0 half-time deficit when halfback Dick Cronin plunged over from the three to climax a 63-yard drive in the third quarter. Bob Gregory's pass to Jack McCormick for the second Lake Forest touchdown wrapped up the game for the visitors.

Millikin Purges Elmhurst 50 To 0

Elmhurst, Ill., Oct. 15—(P)—Millikin romped over Elmhurst Saturday by a score of 50-0 to register its first Little Nine conference football victory.

In its only other league game, Millikin tied Illinois College at Jacksonville.

Dick Halliburton, Millikin's flashy right halfback, paced the visitors' attack with five touchdowns. The 156-pound Decatur sophomore tallied in every quarter.

Other scoring was done by Don Schroyer and Don McIntyre. Schroyer, regular left half, got three, and McIntyre went over one. Hal Welsenmeyer, right end for the winners, converted twice.

Texas Overcomes Arkansas 21 To 14

Little Rock, Ark., Oct. 15—(P)—Favored Texas, shocked by two early Arkansas touchdowns, rode back on the throwing arm of Paul Campbell to snare a 27-14 southwest conference victory Saturday.

A crowd of about 30,000 watched the inspired razorbacks of Arkansas capitalize on breaks to grab a 14-0 lead in the first 17 minutes. Then Campbell pitched two touchdowns passes during Texas' 20-point finish.

Campbell connected on 14 of 23 passes for 257 yards.

Don Logue, sophomore quarterback, produced both Arkansas touchdowns, sneaking through right guard four yards for the first near the end of the opening period and passing six yards to end Pat Sumner for the other in the second quarter.

Undeclared SMU Falls Before Rice In 41-27 Contest

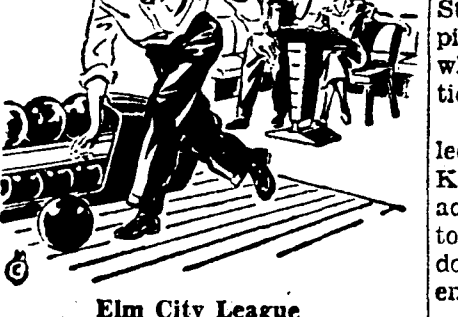

Dallas, Oct. 15—(P)—Southern Methodist's southwestern football empire crashed Saturday night before the power of the Rice Owls, 41-27.

The team that had won two Southwest conference championships in a row and lost only one game in two and a half seasons took a terrific beating from a Rice team, sparked by passer Tobin Rote and driving, twisting runs of Bobby Lantrip and Gordon Wyatt.

Rice reared back on a 6-14 half-time deficit to all but run SMU out of the Cotton Bowl where 72,000 fans—the largest crowd ever to see a Southwest conference game—watched the awesome power of the men in blue.

Not since 1945 had any team scored as many as 41 points on Southern Methodist. The great Randolph Field team of that time turned the trick. It was the most points ever made on the ponies in a conference game. SMU has been in the conference since 1918.

Princeton Beats Brown 27 To 14

Princeton, N. J., Oct. 15—(P)—Dick Kazmaier, a slender 18-year-old sophomore from Maumee, Ohio, pitched Princeton to victory over Brown Saturday, 27 to 14.

The defeat was the first of the year for Brown, and was Princeton's first success in the Ivy league.

Two brilliant passes by Kazmaier to another sophomore, 19-year-old John Emery, set up touchdowns for Princeton in the first period, and Kazmaier himself carried the ball over for a counter in the third after a 70-yard march down the field. Bill Kleinsasser made Princeton's other touchdown on a 30-yard dash through the middle of the line in the second quarter.

Oregon Blasts Colorado 42-14

Eugene, Ore., Oct. 15—(P)—Oregon unfurled a 102-yard kickoff return and other assorted long jaunts here Saturday to overwhelm Colorado of the Big Seven, 42-14.

Halfback Woodley Lewis, Negro speedster, turned in the kickoff run just as if he were performing in the 100-yard dash. He went all the way down the middle without swerving while his mates cleared a path. Oregon, once beaten but still conceded a chance in the coast conference race, had simply too much power for the visitors.

Resting on a 28-0 half-time lead, Oregon contented itself with matching Colorado in the last two periods.

TWO-PLATOON PLAN FOR COACHES NOW

New York—(NEA)—With the addition of two new members to his Columbia staff, Lou Little has reached one of the inevitable developments of football's two-platoon system — offensive and defensive coaches.

To get the most out of his Lion squad's workouts, Little divided his coaching assignments, making each of eight assistants responsible for one phase of squad development.

Missouri Snaps Illini Unbeaten Streak 27-20

Champaign, Ill., Oct. 15—(P)—minutes later, the Tigers struck Missouri slammed 65 yards to a gain, covering 45 yards in nine plays as Carter cracked 35 yards in three runs. Brazzell capped it with a three yard smash.

Clark Scores Fumbles
Krueger's 27 yard toss to Ronnie Clark touched off Illinois' first score in the second. Clark rammed over from the one. Then Missouri capitalized on Clark's fumble of Klein's punt to snare the ball on the Illinois' 43. Eight plays later Klein went over from the two on a quarterback sneak.

Illinois outgained Missouri on the ground 264 yards to 221 and in the air 96 to 79.

Bits Of Football

By Bob Morris
"Oh, what it might have been" is what Ray Eliot, Illini skipper, is probably moaning today. Stories that informed the nation of Illinois' ignominious defeat in the hands of Missouri—of the Big Seven league—can never cover the many near-misses that the fighting Illini almost scored. The Champaign hosts were continually knocking on Missouri's door only to have the Tigers slam and latch it in their faces when they failed to "show them" that they packed the extra heart and spirit to lug the ball that last 10 yards.

The Illini have a phantom two-platoon system that springs from a lack of spirit when they are covered by goal-shadows or when they need to dig down for something extra to carry them into the opponents' jack-pot. They live up to their name "fighting Illini" in mid-field, looking like a true Ray-Eliot-coached team, but we've yet to see a club get paid off for crossing the 50 yard line.

Maybe they should split the field in half and give the battlers three points for galloping over the mid-field stripe. Then, to convert, a club should have to lead one cheer for dear old Alma Mater.

That Eliot is a student of the Zuppke dressing room "dressing down" school was apparent when the Illini roared out after intermission and knotted the count on the mule-skinner. However, the popular mentor apparently lost contact with his footballers as the game grew old and they lost that drive and spirit so vital to a winner. The Illini would drive down to the 10 yard line and then look around for George to carry the ball. Only trouble was, George wasn't having any that day. He was playing for Missouri. Nope, you can't let George do everything. If that could be done, he'd write this column. And, a better one it would be, too.

Best show of the day was the Illinois "Block I" and Indian dance during the intermission. The Indian, a nimble gem, should be in the Illini backfield. The card handlers that form the "Block I" never fumbled a play and the University marching band showed more stamina and precision than any football team that ever shifted into the T formation.

Broncos Topple UCLA From Ranks Of Unbeaten IIs

Los Angeles, Oct. 15—(P)—An undefeated Santa Clara football team struck the clock for the Cinderella-like Bruins of UCLA Saturday, knocking them out of the ranks of the nation's undefeated elevens with a 14-0 victory.

Breaking a dull, scoreless duel in the fourth quarter as 28,911 unbelieving spectators looked on, the astonishing Broncos from northern California ended the UCLA winning streak at four games with a two-touchdown blast.

It was a non-conference game, having no direct bearing on the UCLA standing in the Pacific Coast conference Rose Bowl race.

Hero of the victory was an 18-year-old sophomore from Chicago, Quarterback Johnny Pasco, who came off — bench late in the third period — unannounced and virtually unknown — and promptly piloted the Broncos on two drives from mid-field for the pair of touchdowns.

Pasco sneaked over for the first one early in the fourth quarter and ran and passed his team 42 yards for the next. Halfback Bernie Vogel doing the honors from the one foot mark.

Duke Edges North Carolina State

Durham, N.C., Oct. 15—(P)—Duke edged North Carolina State, 14-13, Saturday in a southern conference football game that was settled on a missed placement for conversion, 10 seconds from the game's end.

After trailing, 14-7, at the half, Coach Beattie Feathers' State forces got themselves together and almost pulled even with Duke on two passes that ate up 93 yards for a score.

But sophomore tailback Charles Westbrook's kick for the point was a bit wide, and the match was settled. Duke dominated the proceedings almost every minute of the game on dead-eye passing by tailback Billy Cox and a line-pounding performance by fullback Jack Mounie.

California Upsets Trojans 16 To 10

Berkeley, Calif., Oct. 15—(P)—With a thrilling 102-yard touchdown run in the final quarter, California's Bears came from behind to chalk up a 16 to 10 upset victory over the Southern California Trojans Saturday in their crucial coast conference football game.

While an overflow crowd of 81,500 fans stood and screamed, left halfback Frank Brunk, just off the injured list, caught a Trojan kickoff behind his own goal. He started down the middle, picked up line interference and raced through the whole Trojan team for the winning tally.

Brunk outran the last opposing tacklers by swerving toward the sideline. Jim Cullom, placekicking artist, added his second conversion and California had posted what turned out to be the winning marker.

With only seconds to play, California added a safety for two more points. Southern California's quarterback, Wilbur Robertson, making a final desperate passing attempt to get his club back into the game, was trapped behind the goal line.

Berkeley, Calif., Oct. 15—(P)—With a thrilling 102-yard touchdown run in the final quarter, California's Bears came from behind to chalk up a 16 to 10 upset victory over the Southern California Trojans Saturday in their crucial coast conference football game.

While an overflow crowd of 81,500 fans stood and screamed, left halfback Frank Brunk, just off the injured list, caught a Trojan kickoff behind his own goal. He started down the middle, picked up line interference and raced through the whole Trojan team for the winning tally.

Brunk outran the last opposing tacklers by swerving toward the sideline. Jim Cullom, placekicking artist, added his second conversion and California had posted what turned out to be the winning marker.

With only seconds to play, California added a safety for two more points. Southern California's quarterback, Wilbur Robertson, making a final desperate passing attempt to get his club back into the game, was trapped behind the goal line.

Pitt Squeaks By Miami 35 To 26

Pittsburgh, Pa., Oct. 15—(P)—Undeclared Pitt squeaked through to its fourth straight victory Saturday, turning back by a score of 35-26 a fighting Miami University football team which overcame a slow start to rock the Panthers back on their heels in the last three periods.

Three touchdowns by Miami's fleet-footed, slippery John Pont, sophomore halfback from Canton, Ohio, almost provided 20,893 fans with a major upset.

Pont started his scoring spree in the second quarter when he caught a pass from Olix on the Pitt 25 yard line and ran down the side lines for the first Miami score. He ran 25 yards for a second touchdown in the third period and skirted the Pitt left end for his final score in the last quarter.

Michigan State Overpowers Wm. & Mary 42 To 13

East Lansing, Mich., Oct. 15—(P)—Michigan State rolled over William & Mary 42-13 in an intersectional football fight witnessed by 32,655 fans here Saturday.

The battle was tighter than the score indicated, however, for the southern pass attack caused MSC considerable trouble. William & Mary also did not compare too badly in the statistics, particularly in the second half.

It was the second successive Saturday that MSC has fought off a southern conference bid for glory. Last week Michigan State downed Maryland 14-7.

Lynn Chandnois, the lanky right-half from Flint, Mich., was the offensive sparkplug of the MSC backfield. Chandnois carried for three of his team's touchdowns. Quarterback Gene Glick was the backbone of the MSC passing attack until he was taken out of the game by another knock on the injured knee that plagued him early this season.

Army II Crushes Harvard 54 To 14

Cambridge, Mass., Oct. 15—(P)—Continuing its drive to the nation's highest football peak, Mighty Army, with its supposedly ailing G.I. Stephen scoring four times, overwhelmed an out-manned but hard fighting Harvard team, 54-14, Saturday at the stadium.

The Cadets' terrific power shocked the 48,000 crowd that viewed the most humiliating defensive stand Harvard has made during its long history. The previous highest score against it was Yale's 48-0 victory back in 1884.

When the hard-smashing Fullback Stephenson was not tearing the Crimson line to shreds, numerous other black-shirted West Pointers were. The only respite Harvard had was during the third period, when Coach Red Blaik, bent on mercy, had his third and fourth stringers in action.

Tar Heels Dump Lake Forest 28-14

Chapel Hill, N. C., Oct. 15—(P)—All America Charlie Justice went on a three-touchdown spree Saturday to pace unbeaten North Carolina to a 28-14 victory over Wake Forest.

The Tar Heel football forces thus notched their fourth straight victory.

Wake Forest opened the scoring 75 seconds before the end of the first period when they capped an eight-play, 38-yard advance by sending Quarterback Carroll Blackerby over on a sneak.

Then the Tar Heels began a 45-yard march that ended in nine plays with Justice racing around left end untouched from the five. Sophomore Tackle Egbert Williams tied it with his first of four conversions.

Marquette 24, Detroit 14

Milwaukee, Oct. 15—(P)—A set of pony backs ran Detroit ragged in the second half Saturday to give Marquette a 24-14 football victory after trailing by two touchdowns at the half.

Duquesne 40, Holy Cross 14
Worcester, Mass., Oct. 15—(P)—Duquesne University's football opportunities handed Holy Cross its fourth straight defeat and its most decisive home loss in years, 40-14, before a slim 5,000 crowd Saturday at Pittman field.

Pass interceptions gave Duquesne three touchdowns.

Penn State Knocks Nebraska 22 To 7

State College, Pa., Oct. 15—(P)—Bill Luther ran and passed an improving Penn State eleven to a 22 to 7 victory Saturday over Nebraska.

Penn State combined alert defensive play with an effective mixture of passing and running to delight a homecoming day crowd of 23,600.

State scored in every period — touchdowns in each of the first three periods, a safety in the final quarter, and throttled the Nebraska attack from the start until Ronald Clark scampered 82 yards for a last quarter tally that saved Nebraska from being shut out.

Luther tallied the first touchdown late in the opening quarter, covering five yards on an off-tackle smash to climax a 30 yard drive in 7 plays. He then hit John Smidensky with a 12-yard pass for the second registration in the second period.

KILL IN COLLISION

Macon, Mo., Oct. 15—(P)—Earl Wilbur Eaton, 66, U.S. consul at Torreon, Coahuila, Mexico, was injured fatally in an automobile collision west of here on U.S. highway 136 Saturday.

Hilltoppers Score In Every Period To Gain Second Win Of Season

Eureka—The Illinois College Blue-boys scored in every quarter as they romped to a 47-13 non-conference gridiron victory over the Eureka College Red Devils here Saturday night.

Hilltop mentor Al Miller used every man on his 34 player traveling squad as he saw his club grab its second victory of the season as stacked against one tie and one loss. The defeat was Eureka's fourth of the season and they're still looking for a victory.

After getting off to a slow start and a 7-0 lead in the first quarter, the Blueboys notched two touchdowns in the second, third and fourth periods to take the easy win. Eureka scored in the second and fourth chapters.

Ray Watts Leads Blueboys
Freshmen Ray Watts led the local collegians' scoring parade, getting three of the touchdowns. The blond, 160 pound ball-carrier turned in a grand-slam when he took a Eureka kickoff in the fourth stanza on his own goal line and raced 100 yards to pay dirt.

Miller described his team's downfield blocking as the most deciding factor in the ball game. The Blue-boy line, weakened by the loss of several veterans lately, was still strong enough to consistently outrush the hosts and open gaping holes for the Jacksonville backs.

Ray Watts started running wild for the Blueboys in the second half. After he and John DeLaPaz had lugged the leather down to the Eureka 10-yard chalk, the diminutive youngster ran wide around left end to record his first touchdown. Grove tossed to Longer for conversion and the Blueboys forged ahead 26-6.

Watts Plunged For TD
Russ Alexander and Dave Billings set Watts up for his next touchdown late in the third period. After the two Blueboy halfbacks had carried the ball from the Eureka 20-yard line, added by a pass from Grove to Christion, Watts banged over from the one-foot line. Dave Billings shot an aerial to Longer for the extra point.

Eureka hit the scoring column again early in the fourth chapter. The Red Devils recovered a Blueboy fumble in mid-field, and scored after four ground plays. Siebert plunged over from the Blueboy five and kicked the extra point to end his team's scoring for the night.

Watts grabbed the Eureka's touchdown kickoff on his own goal and racked up his third TD on a 100 yard gallop with the aid of some neat blocking. Bill Gross kicked the extra point.

Jim Whiteside, unknown Blueboy halfback, gave his club its 47th point when he cleared left end for 50 yards and a touchdown in the waning seconds of play. A pass for conversion failed and the gun sounded, ending play with IC out front 47-13.

Someone to Love

By IRENE LONNEN ERNHART Copyright, 1949, NEA SERVICE, INC.

THE STORY: Jenny's marriage to Tod Duncan has been unhappy because Tod cannot forget his Conover, who killed him before his marriage. Even the arrival of two sons and the birth of a daughter cannot bring the Duncan family together. One bright spot for Jenny is Tod's old friend Rick Morris, but Tod suspects Rick is in love with Jenny. Liz, meanwhile has divorced Jim Courtney, with whom she shared a brief time here and there. She invites Tod to a cocktail party on the same day Jenny meets Rick on the street and invites him to her apartment for dinner. Tod comes home late, very unsteady.

XXXIV

TOD had been drinking quite a lot. He was very gay and effusive, especially when he saw Rick. He kept saying, "I had to work late. That's my story and I'm going to stick to it. And if Jenny doesn't like it, you can cheer her up."

Between the two of them they got him to bed, and as he drowsed off he was still muttering about Rick being the one to "love her and take care of her."

"I don't know what to say, Rick," Jenny whispered as they cleared off the table later.

Rick looked at her gravely. "You don't have to say anything."

"I don't think 'Tod's happy'!" The words tumbled over one another in her eagerness to make excuses. "He doesn't care too much for his job, and we're in debt, his mother's sick, and—well, things keep piling up. But I'm sure everything will be straightened out."

"Of course, Jenny," Jenny's eyes fell away from his. She twisted a paper napkin into a ball in her palm. "I'm especially ashamed of Tod for saying the things he did. He'll be ashamed too, tomorrow."

There was a queer look on Rick's face as he stared at her for an instant, as though he were about to say something.

He didn't speak, but Jenny knew all at once that Tod was right, and Nina had been right. Jenny herself had been incredibly stupid and blind. Rick was in love with her!

Tod awakened the next morning bewildered and contrite. She was pouring his coffee when he came out all shamed and ready to go to the office. "I hope I wasn't too obnoxious last night, Jenny."

"You weren't," she tried to smile.

"I remember saying something about—"

"Forget it," Jenny said. "All of it." She poured her own coffee and set the pot back on the stove.

"I can't remember much what happened after I left the party."

"Party?" She dropped her spoon in the saucer. It made a loud clatter in the stillness.

He gulped his coffee down and then looked at her. "You'll probably find out sooner or later anyway, so I might as well tell you. I went to a cocktail party at the Conover Agency. It was a special shindig for a client. A big shot."

JENNY felt a little numb. Or maybe she hadn't wakened up enough yet to grasp what he was saying.

He stood up and reached for his hat from the top of the icebox where someone had put it the night before. "We had quite a time. There were even reporters there and photographers. That's why I thought I might as well tell you. They might sort of play me up a little on account of my football career." He flushed as he gave her a quick goodby peck on the cheek.

"You mean you wouldn't have told me, except that I'd probably see the pictures and read about it in the paper?"

"Why of—of course I'd have told you," he turned his hat over in his hands. "Why should I try to hide anything. After all, Liz invited you too."

"Oh—Liz."

There was a long frigid pause.

Winchester Post Plans Legion Home Addition

Winchester—At one of the most important meetings of the year, the Winchester Julian Wells Post of the American Legion voted Wednesday to lease their main meeting room and a new addition to be built to the federal government for one year. The hall will be used by an army reserve unit now located in Winchester with a personnel of 65 members.

SECTION 7 MOTHER

Mrs. Norbert Roth

Delegates from section seven, Illinois Future Homemakers of America, selected Mrs. Norbert Roth, chapter mother of the Ashland chapter, as 1949-50 section delegate at a meeting of the House of Delegates in Springfield, Saturday, Oct. 8.

To be eligible for this office, Mrs. Roth served as chapter mother of the Ashland chapter last year. She helped with many of the chapter activities and also participated in sectional functions.

Mrs. Roth lives on a farm near Frontice and is the mother of two children: Betty, a junior at A.H.S., and parliamentary of Ashland F.H.A. A section seven, and Ted, who attends the Ashland grade school.

Grojan Announces Good Cooperation On Fire Safety

Many Jacksonville organizations have been very cooperative in promoting fire prevention activities according to a statement made Saturday by Earl Grojan, chairman of the Chamber of Commerce Civic Affairs committee. Mr. Grojan's committee includes fire prevention as one of the activities of their group. Grojan and Fire Chief Charles Lenergan have been active throughout the week in distributing fire prevention material.

Two thousand folders entitled, "60 Ways to Prevent Fire in Your Home" have been distributed to grade school boys and girls in Jacksonville and South Jacksonville with the instruction that these folders be shown to their parents at home. School principals in the five schools were responsible for this distribution.

Self-inspection blanks were distributed to many industrial, commercial and service firms throughout the city during the week. These folders carried the suggestion that the inspection be made not only during fire prevention week, but that the points mentioned be carefully checked throughout the year as a precaution against heavy fire loss.

Much information on sound fire prevention practices has been given through both press and radio. Members of the city fire department have been making inspections of numerous buildings throughout the city and special fire drills were planned in all schools. Posters calling attention to the program were distributed by Boy Scouts early in the week.

Grojan pointed out that, "The information has been placed in the hands of many people this week. It is our hope that it will become a safety rule for everyone throughout the year."

Visiting Officers To Attend O.E.S. 49'er Meeting

Wilber Chapter No. 358, O.E.S. held its stated meeting at the Masonic temple Thursday evening. Marian C. May, worthy matron, gave a report on the 53rd Diamond Jubilee session of the Grand Chapter of the Order of Eastern Star which was held in Chicago, Oct. 4 and 5.

The sessions were attended by about 5,000 members and officers of the order.

Members from Wilber Chapter who attended were Mr. and Mrs. John May, worthy matron and worthy patron, Mr. and Mrs. J. W. Cully, associate matron and associate patron, and Mrs. Marion Summers, member of eligibility committee of the Grand Chapter and past matron.

Mrs. May thanked Mrs. Elbert Lair, Mrs. Walter Leake and Miss Minnie Wyatt for serving as substitute officers, also the refreshment committee consisting of Mrs. Dorothy Kincannon and Mrs. Mary Stultz.

Following the meeting, Miss Gertrude Wetzel of the Public Health service of Alaska, who has headquarters in Juneau, Alaska, gave an interesting talk and showed many beautiful pictures of the country and its people.

The next meeting will be Oct. 27, and will be a 49'er night. Stations will be filled by worthy matrons and worthy patrons of surrounding chapters. This is to be a party for members as well as for the officers and it is hoped that everyone will wear an old fashioned costume.

The kitchen committee consists of Mesdames Louis Biggs W. D. Corey, Morse Updegraff, Everett Wise and Miss Leah Caldwell. The dining room committee consists of Mesdames Merle Wade, Harry Dowland, Keith Peabody, Robert Kraushaar, Russell Ezard, Mark Furlong, and Messrs. Rollyn Trotter, Carl Swanson and Morse Updegraff.

State St. Church To Hold Harvest Roundup Nov. 15

The State Street Harvest Roundup, the name chosen for the State Street Presbyterian church bazaar this year, will be held Tuesday, Nov. 15, according to an announcement made by bazaar co-chairmen, Mrs. James Coultas and Mrs. Robert Herr.

Plans have been made and work has begun to make this one of the nicest of the annual events yet to be held at State Street Church. The newly decorated church basement will serve as background for the interesting booth projects which will have a variety of unusual articles for sale when the bazaar officially opens at eleven o'clock on that day.

Committee heads have been appointed as follows: decorations, Mrs. John Whelen and Mrs. John Frick; finance, Mrs. A. A. Otto; publicity, Mrs. Lawrence Crawford and Mrs. Tom Fennessey; aprons, Mrs. Mabel Olsen and Mrs. Lena Piepenbrink; religious books, Mrs. C. L. Rice; lunch committee, Mrs. W. F. Bailey; Mrs. Julia Copeland, Mrs. Lewis Raymond, and Mrs. John L. Bunch; knick-knacks, Mrs. Harry Hammitt and Mrs. C. E. Bone; white elephants, Mrs. Harrison King and Mrs. R. Y. Rowe; bake sale, Mrs. Gail Ranson and Mrs. Ralph Withee, Jr.; candy counter, Mrs. Carl Robinson; and the country store, Mrs. Loren Moody.

Eleanor A. Garner And Chicago Man Married Oct. 8

Miss Eleanor A. Garner and Leslie C. Kammerer were united in marriage at the First Baptist church of Taylorville, Oct. 8, by Rev. Ralph R. Cummings, pastor of the church.

The bride is the daughter of Mr. and Mrs. C. H. Garner of Taylorville. The groom's parents are Mr. and Mrs. Conrad H. Kammerer of Chicago.

Traditional wedding music by Mrs. Helen Humphrey, singer, and Mrs. Cecil Miller, organist, baskets of flowers and wedding tapers contributed to the picturesque atmosphere.

The bride, given in marriage by her father, was attired in a gown of white tulle with a fitted bodice trimmed in small silver beads and lace flowers, a full gathered skirt and flared train, and a waist length veil with lace and pearl orange blossoms. She wore a simple strand of pearls, the gift of the groom, and carried a small white Bible.

Mrs. Dean Wright of Jacksonville, sister of the bride and matron of honor, wore ashes-of-roses satin with flowered lace and a shoulder length tulle veil. She carried bronze pompoms. Mrs. Garner wore a street-length gray crepe dress and Mrs. Kammerer one of blue; both wore red roses. The groom was attended by his brother, Milton C. Kammerer of Chicago.

Ushers at the wedding were Charles H. Garner, Jr. of Taylorville and Dean Wright of Jacksonville. A wedding breakfast featuring a four tiered cake and red and white gladioli was served in the Camellia room of the Frisina hotel after the wedding the couple left for a tour of the southwest. Upon their return they will be at home at the Mozart Apartments on the near north side of Chicago.

The bride is a graduate of the Roodhouse Community high school and Our Saviour's hospital school of nursing. She will return to her position as head nurse of orthopedics at Wesley Memorial hospital, Chicago. Jacksonville guests at the wedding were Mr. and Mrs. Homer Melton and Mrs. Myra Perbix.

FOUNDLING—Nippy, the little gray squirrel, doesn't mind at all the fact that his adopted brothers and sisters are having their lunch while he looks on. He gets to eat first because he is something special in the kitty cat family. He was found in a nest in a light pole by a linenman, taken home and promptly adopted into the feline family.

Jacksonville Unit, Catholic Nurses To Meet Friday

The Jacksonville unit of the Springfield Diocesan Council of Catholic Nurses will begin the scholastic year Friday morning with a major event, according to the announcement of Miss Mary Magner, R. N., acting president.

Miss Anne Houck, executive secretary of the National Council of Catholic Nurses, will address the meeting, which will take place in the nurses' home of Our Saviour's hospital at 10 a.m. Miss Magner said. Catholic graduate and student nurses of the area are invited to attend.

The quarterly diocesan meeting will be held at St. Mary's hospital in Quincy at 9:30 a.m. on Sunday, Oct. 23, she further announced, and all members of the Jacksonville unit are invited to be present.

Officers serving for the local group this year are Miss Mary Magner, R. N., president; Mrs. Mary Bennett, R. N., secretary; and Miss Ruth Heraty, R. N., treasurer.

String Lights Now For More Profits From Laying Flock

Urbana—Your hens don't belong to a labor union, so they don't mind working 13 or 14 hours a day. And by using artificial lights to stretch their working day, you can get more eggs during the fall and early winter when egg prices are highest.

Sam Riden, extension poultryman in the Illinois College of Agriculture, says that right now is the time to start turning on lights to get those extra eggs.

You can turn them on in the morning or the evening, or both. You can use either an alarm clock attachment or a commercial switch. Just be sure to turn the lights on every day, and at the same time each day.

Riden recommends one 40-watt light bulb in a cone-shaped reflector for every 200 square feet of floor space. And hang the lights high enough—near the ceiling—to light the whole henhouse. In that way all the birds will be kept busy scratching, feeding, and laying.

Except for the naturally high producers, most hens will lay better when stimulated by artificial lights. It's the average or below-average layers that show the largest increase. Riden adds that it takes a few weeks, though, before these hens will start laying those extra eggs.

Art Association To Present First Exhibit Oct. 21

The Art Association of Jacksonville is opening its 1949-50 season of exhibitions on Oct. 21 with a display of arts and crafts produced by Jacksonville and Morgan county residents.

Included will be leather tooling and ceramics, woodwork, weaving, hooked rugs, jewelry and metal craft, and fabric design. The exhibits will be received at the Strawn Art Home on Oct. 17 between 2 and 5 p.m.

During the 10 days that the show will be in progress, the museum will be open from 3 to 5 and 7 to 9 p.m. on weekdays and between 2 to 5 p.m. on Sundays. The public is cordially invited. There is no admission charge.

U. Of I. Important Leader In March Of The Soybean

Urbana—Champaign — The soybeans Illinois farmers are hauling to market now will bring them approximately \$175,000,000 this fall. For these millions, as well as those in years past and those in the years to come, they owe much to the University of Illinois.

The University began its experimental work with soybeans in 1897. Pods of the bean had been brought to this country by the Federal Department of Agriculture from China where they had been known for five thousand years. It was from the Federal department that the University's agriculturists obtained their original plantings.

They were successfully grown in the laboratory, then on a small experimental plot on the south campus. The results looked promising.

"A Few Acres"

When results were laid before 25 progressive central Illinois farmers, all agreed to plant "a few acres." They, too, were successful. They and the University then began to preach soybeans in earnest. By 1914 the State had approximately 1,000 acres in soybeans.

But there was another problem—what to do with the beans when they were grown. The State processing plants were using their presses for cotton seed and linseed and for oil meal, buying it in other states, shipping it to Illinois for processing, and then shipping the oil and meal out again. But gradually these mills started processing the new soybean crop, and their capacities were expanded as acreage increased. Farmers, knowing that they would have a market for their grain, had increased their acreage to 514 thousand acres, averaging 17 bushels per acre, by 1930.

More Bushels, More Oil

Meanwhile University researchers were busy improving the plant. Varieties were developed with increased production per acre, and with greater oil content. With the invention of the combine the University developed a stronger variety which would not shatter and fall to the ground when the machine hit the plant. The University also improved means of inoculation which enabled the plant to take greater amounts of valuable nitrogen from the air and thus further enrich the soil.

With the development of plastics soybeans became an important contribution of plastic materials. Another important development was the use of soybean oil in paint. Experiments started in 1930 when paint, with a 50 per cent soybean oil composition, was used on farm buildings and classroom walls.

Unprecedented Spread

By 1935 Illinois was producing half of the soybeans processed in the United States, and it became evident that the crop had attracted more attention, spread more rapidly, and had been more widely adopted than any other new crop ever introduced.

Today soybeans play an important part for feed and seed, soybean

Concord Christian Church Interior Redecorated

Concord—The interior decorating of the Christian church has been completed and services are being held there regularly. Since late August the church has been closed while the work was in progress and all services of the church were held at Morgan Hall.

The entire inside of the church has undergone renovation.

The walls, beginning at the baseboard and extending to the lower edge of the windows, has been tinted a soft shade of old rose which is blended to the remainder of the peach tinted walls by a three inch band of mauve with stencils at spaced intervals.

The mauve band also is used to outline all windows and doors.

The metal ceiling of raised design is tinted ivory, with the more heavily raised portions colored dull gold. All woodwork has been varnished and the floors sand and refinished in natural wood tones. Two new lights were added to the auditorium and new floor mats purchased for the vestibule.

The work was done under the supervision of Carl Smith of Jacksonville.

State Improving Highways At Cost Of Over 6 Million

Springfield, Ill., Oct. 15.—(AP)—Improvements costing a total of \$6,500,000 are being made this year on five main traffic arteries in Illinois, the state highway division said.

Highway officials said the work will put some of the poorest sections of routes U. S. 66, 12, 40, 41 and 67 into A-1 shape by the time winter weather sets in.

More than half the money—\$2,270,000—is paying for jobs along route 66, the summary showed.

A major resurfacing project is underway near McCook and an important widening job northeast of Plainfield, both toward the northern end of the road to St. Louis to Chicago span.

Extensive work also is going forward at several locations south of Springfield.

The big projects on Route 40 are paving of 10 miles from Greenville west and widening of 21 miles west of Pankhouser. This work will cost nearly \$1,200,000.

On Route 12, nine miles of new concrete is being laid from Lake Zurich to Volo at an expense of about \$1,700,000.
